

The background of the entire page is a repeating floral pattern. It features stylized, light purple and blue line-art illustrations of flowers, leaves, and small clusters of berries. The flowers have a distinct, multi-lobed shape, and the leaves are simple, pointed shapes. The pattern is scattered across the white background.

But my life is worth nothing to me unless I use it for finishing the work assigned me by the Lord Jesus—the work of telling others the Good News about the wonderful grace of God. Acts 20:24

Travel:

Air-- I will book my flight through my office via American Airlines. I will coordinate with you regarding payment at the time of booking. I typically fly in the day before the event. If the event has an evening session, I typically fly out the next day. My local airport is Reno-Tahoe International.

Driving-- Due to traffic and other complications, if you are over a 2 hour drive and your event begins early in the morning, please arrange for hotel lodging the night before. Please do the same if your event is over after 8:00 pm.

Please include roundtrip mileage in addition to the honorarium. I drive from Fernley, NV. Mileage can be calculated online roundtrip from my location to yours.

Presentation:

Some of my talks have song clips, video or Power Point presentations. Please let me know who your media-person is, so I can email them the links and they will be ready the day of your event.

I request a lapel mic, if at all possible. I am happy to customize my messages to fit your requirements and theme.

Fees:

I do not have a set fee schedule. I will work within your conference budget. Your gift is between you and the Lord, because only you know what you are truly able to pay a full time speaker. If you choose the option of taking up a love offering, please take it after I speak at the end of my talk. If you would like a range of fees that I often get paid, we can discuss it if you would like to call.

Please feel free to call or email with any questions.

Becoming a Woman of Power with God

Becoming a woman of power does not mean becoming a woman who controls and dominates. It does mean becoming a woman who influences her marriage, home, family, workplace, and faith community in a positive and edifying way. A woman of power builds up rather than tearing down.
